

Judith A. Bach

April 18, 1951 - June 3, 2026

Judith Ann Bach (that's me), left this world way too soon on June 3, 2026, aged 75. It wasn't my idea, but other plans were made without my approval! If there is anything good about it, it would be that I finally lost some weight since angels fly better when they are skinny! I am survived by my wonderful grandson, Andrew; brother, John (Cindy) Bach; nephews, Jason (Sarah) Bach and Bryan (Wendy) Bach; and cousins.

I was born April 18, 1951, in Toledo. We moved to Findlay where I lived until 1966, then back to Toledo we came.

I was a 1969 graduate of Whitmer High School and received a certificate in a long obsolete computer programming language from University of Toledo.

The Lab at St. Vincent Medical Center was lucky to have me for 46 years, until I retired in 2016. A big shout out to everyone at Microbiology! I was one of the lucky people, I really enjoyed my job.

Hobbies? I had a few. My house plants, feeding the birds, travel and singing kept me busy. And food. Just about anything, but sushi was a particular favorite.

I joined Sweet Adelines International in 1984 and was a founding member of

the Pride of Toledo Chorus where I sang bass.

I am looking forward to seeing family that have already gotten their wings. My Mom, Dorothy, Dad, Val and of course my handsome, funny son, Scott.

Friends and family are invited to visit on Wednesday, June 10, 2026, from 3:00pm – 7:00pm at Ansberg-West Funeral Home, 3000 W. Sylvania Ave.

“ I first met Judy back in 1974, when I started my training in the lab in St. Vincent Medical Center. In the 52 years that I've known Judy, I never heard her say a harsh or unkind word to, or about anyone. She was always thorough and professional, and we were so fortunate when she started working in Microbiology. I've only seen Judy about once a year since I retired, at Marilyn's summer party on Lake Erie. But I will truly miss her sense of humor and ready smile, and how easily we could pick up right where we had left off the last time we had seen each other. Rest in peace dear Judy.
