“ Dear Nick and John I am sad to her your mom has passed...We were in the same room at the hospital when John was born.. my Kyle was born then. We had such fun talking and laughing. I lost track of her these many years -I often thought of her and have some good memories of her as I am sure you both have.I will keep you both in my thoughts and prayers. Sincerly Vivian Eberly

“ We were very saddened to learn of the passing of Kay. She was a neighbor, but we first met Kay at the local VFW. In our neighborhood, she would walk around the block, always with a smile and would converse with us. I know she loved garage sales and was always asking us if we had anything she could sell for us. Our thoughts and prayers are with the family. May God Bless you and comfort you during these times.

“ Sorry to hear of your mom's passing. It's a shame you couldn't list all Nick's children (there are 4 plus another great grandchild) in the obituary.
