“ I remember her way back when in the 1970's when we were in our 20's. Such a long time ago. We were co-workers at S.G. Morris in Sylvania (a pneumatic & tool company) under Richard Perry of Old Fort, who passed last April. I remember her having a miscarriage & driving that big white old Cadillac that she had trouble parking 'cause of the big long front end! I still think of her from time to time. Regards to her family even tho it has been a long time.

“ I extend my sincere condolences to your entire family. I pray for God's peace and love to you all thru this tragic time. A passage I learned from my past did give some comfort...to be absent from the body..is to be present with the Lord." I hope you find some consolation thru his great love for us.
