“ Kay was such a delightful person! She volunteered as a receptionist at Peace Lutheran Church in Fort Myers where I worked. I enjoyed talking with her - quick with a smile, a warm greeting to all - and always mixed with gentle humor and compassion.

She was poured out a blessing to all. She will be missed and remembered by many.

“ I am so sorry for the loss of Kay. My family and I will forever remember the wonderful years of sharing so much fun as neighbors of Kay and George on Crooked Lake. They were perfect, loving, kind, and the coolest couple on the lake. They were both great role models, and are missed. Kathy Garner and Family
