“ Dear Dallas, Trevor and Shelby There is nothing we can say or do to help heal your pain during this time. Please remember that your Mom was loved and cherished. Gale knew her growing up as kids and we both had great times with both your parents at the Michigan Tavern. Our thoughts and prayers go out to you all. The love your parents both had for all of you will always be with you. They are both together now and will always be looking down on you and will carry you through the hard times. Take care of each other now.
