“ Dear family. Kenny was an important childhood friend. He was always part of the Langdon/Chapin Street kids, and had a way of being a good friend to all. I remember that awful alley behind our house where the boys used to cut through to whatever adventure was calling them. And the field across the street, by the library, where kids played ball, losing some of those balls and inducing the ire of the cranky building occupants.

As we grew into young adults, I sometimes ran into Kenny, at the bank, Lane's Drug Store, just in the neighborhood. He always had a big smile and warm hug, like I had just made his day. That's a very special gift and I'm so very happy that I occasionally received that gift from him.

I met you very briefly, Lynda, at my mother's wake and wish I had spent more time with you and Kenny. Kenny and your family are in my prayers.

Peace, Suzanne Lininger Ullman

“ Lynda,
So sorry to read of your loss. I still remember with fondness our canoeing trips with AYH and visiting with you as our neighbors. Keeping you in my thoughts.

“ *I will always remember playing cards on warm summer nights. Enjoying your company and always teasing about cheating at the game because you always seemed to win.*

There are far more memories that we shared together over the years. But most of all I'll remember how much you meant to me. Thank You for being a great uncle and god parent. I will miss you.
