“ *I am so sorry to hear about your loss of Kim. I was not able to make arrangements to come over to see you. I had a church choir obligation on Sunday. I am planning to send a memorial in Kim's honor to Hospice of NW Ohio. Please take comfort in knowing that she is with God and there is no more suffering. She was made whole again. I will be praying for your family as you go through this difficult time. Hang onto your faith and it will carry you through. May God's peace be with you all. Love, Kathleen*

“ Kim, I only knew you for 10 years but I thought you were among the sweetest and kindest people I ever met. I last spoke with you this past summer when you called to speak with your best friend on earth....Jenny Lewis. I could tell from our brief conversation that something was not right. I'm glad you and Jenny got to spend an entire day together this past September because it is all Jenny has left now. Jenny is having a hard time understanding why she couldn't say goodbye but she cared for you more than you will ever know. She will be up in the Toledo area soon and you and she can have a nice long talk and get things straight. I will miss you for sure but Jenny has lost one of her true life long friends. Please be happy now my friend Kim.....you deserve it.

“ Dear Kim, I am going to miss you greatly. You were a great friend to me. I have many wonderful memories of our 15 years of friendship. ABWA meetings, lunches, dinners, shopping, movies, antiqueing, MU basketball games, Ohio State Fair, operas, plays, the Ansel Adams exhibit, visiting bead and craft shops, just talking and visiting...I also have good memories of us supporting each other through the rough spots in our lives, I always knew I could pick up the phone and we could talk and visa versa. I especially appreciated your help when I had surgery in '97. I am sorry I was never able to attend one of your church choir concerts. Thanks for the beautiful pair of earrings you made me after my Sept. visit. I am really sad right now, but I know God welcomed you home with open arms. I will never forget you the rest of my life. I wish you peace and rest. I wish your family peace and rest. All my family is thinking of you and your family. Love, Your Friend, Jenny Marie Lewis

“ To Kim's family, I just found out of Kim's passing this weekend. I am so saddened and wish to offer my deepest sympathy to her family. I was a friend of Kim's that worked with her at Sibcy Cline, as well as we attended the same church. When Kim left the real estate office, she referred several of her clients to me, which I greatly appreciated. I had not heard from Kim for sometime, and I had tried to reach her last spring, but I did not hear from her. When she was in the real estate office with me, we shared many conversations. She was very easy to talk to, and I enjoyed her company. Again, I am stunned and saddened by your loss. Even though I didnt see Kim much, I did think of her often. She will be truly missed by the people who were blessed to know her. Sincerely, Patti Readnower
