“ My condolences go out to you for the loss of this wonderful person. I know how hard it is to loose someone you care about, but there is a place where you can find comfort. That place is God’s Word the Bible. In the Bible Jehovah God tells us at John 5:28, 29 “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, and it is possible to find relief in losing someone you care about, but that relief can only come from the Bible.
