“ My mother worked at Captain's for years while Larry and Ann owned the store. After that I would run into both of them at Red Wells. I shot some pool with Larry at 21 West. My condolences to the family for their loss of not only Larry, but so soon after the passing of Ann. God Bless and Take Care Edward Hinline

“ Dear Julie, Susie, Tony, Mike, and Mary Alice. I never had the pleasure of meeting you, however, your father was one of the good guys. I knew him well back in high school, at Central. He was truly a great athlete and a team player. I have been in Florida for 36 years and kind of lost track of people. But, please know that Larry will be remembered by us. Our prayers are with you at this time
