“ To my dismay I will be out of town until late thursday. My condolences to the entire family. Your father was a very special individual who was liked and loved by all who knew him ! In itself death is not a tragedy when a peaceful death follows a life which was blessed with health and vitality of mind and body, a life rich in good deeds, then death cannot be regarded as tragic--no matter how great the loss and sorrow. Solomon said a good name is better than precious oil, Leonard had a great name! To quote Shakespeare " his life was gentle and the elements in him so mixed that nature might someday stand up and say to all the world....this was a man...Leonard was a man !!. Within in my Jewish faith and tradition we have a greeting which we extend upon seeing our friends, we say " Shalom Aleichem" may there be peace upon you and the refrain of the one whom we meet is " Aleichem Shalom" upon you may there be peace. Leonard was a man who always extended peace and greetings to all he came in contact his warmth, his kindness, his concern for others was always a part of him. I say to you Leonard, Shalom Aleichem and Aleichem Shalom---may there be peace upon you and may there be eternal peace--Shalom Leonard....Jerry Chabler
