“ Dear cousins, I have been looking for you for some time now, but this is not the way I wanted to find you. I am so sorry for the loss of your father. Please find comfort in the fact that he has joined his mother, father and brother in the new home God has prepared for them.

“ To the Kubiak Family: My condolences on your loss. Even though it's been over 45 years ago, I had the pleasure of being one of Mr. Kubiaks' Cub Scouts. I can remember looking forward to my weekly trek over to Lake St. in anticipation of what craft or project would be on the agenda for that day. He was a kind, gentleman who made a lasting impression on me the way he related to anyone he came in contact with. May he rest in peace...

“ I had the honor and pleasure to have Mr. Kubiak as one of my leaders at Troop 1 and work along side him later as a co-leader. He was always involved in the Troop even after his own boys moved on. We are all better men for having known him.
