“ dear Sue: I am late with my condolence, but wanted to offer my sincere sympathy on the death of your mother, Lil. I first met your mom in 1978, before coming to Riverside Hospital. I was working on a Death and Dying project at the U. of Toledo for my Masters. Lil was recommended to me to consult for my project which i did. She was a tremendous help to me and later I was able to know her better at Riverside. I remember you also, Sue. You were always helpful to me when I had a question. Thoughts and prayers are with you and the family. Lil was also a graduate of Mercy, my alma mater also... Irene Brooks

“ Sue, Very sorry to read about your mother. I was touched by her work with the in-home service and her work with death & dying. We just lost Mom 7 months ago yesterday from Alzheimer's. We were sure lucky to have our Moms as long as we did.
