“To the family of Linda Junga, I was a friend of Linda's and was just notified today of her passing. My condolences to the entire family. We have definitely lost one of the "good ones". I saw Linda on a regular basis at Charter One and she was like a sister to me. She was always kind and friendly and went out of her way to be helpful. She and her sister once dressed up as ghosts doing some work to help the Camino Real Restaurant. My family was there that night and she and I had good laughs talking about the event and we always had fun discussing our interests with one another and our love of Mexican food and margaritas. To me, Linda seemed like the type of person that would want friends and family to celebrate her life and life in general--- so I will do just that.....but I will miss her dearly. Thank you, David Topoleski & Family

“ My heart goes out to Lind'a family and friends. I knew Linda from back in Elementery and High Schools! She lived down the street from my God Parents! Then we lived in the same apartment complex like in the early 1970's. Lost touch with her, but when my cousin sent me the news, all likes of great old memories came rushing back. Linda was as sweet as they come and always a good friend. God Bless her family and may God give them the strength to get thru this hard time.

“ I am so sorry for your loss. I work at Charter One as a teller and many times filled in at Linda's branch. She was so fun, so happy and great to work with. She always had a smile on her face and I could always count on Linda to make me laugh about something. You have my deepest sympathy. I am still in shock. You are in my thoughts and prayers. The world has lost a beautiful woman.
