“ *I am deeply saddened with the passing of Linda. It has been an absolute honor to know her. I will forever cherish her friendship. Most of the memories were with our Model A's. I love how she took to driving her own Model A. Remembering our trip to Windsor, Canada where Ron and Linda towed my car for my first competition. Both were great members helping others in the Model A family. Most of all I will remember our trip to the Smoky Mts. It was amazing and we had so much fun taking the events and side trips. Linda had a heart of gold and a creative talent. Her works were awesome.*

I lost a great friend and Western Lake Erie Model A Restorer Club lost a valued member.

May God give you peace during this time of sorrow. My prayers go out to her family and friends.

“ Linda was a very special Model A friend and I feel her loss deeply. She came to my home and helped me copy vintage patterns for the Model A pattern project! She and Ron stayed behind when we had battery trouble and stayed with us to our issues were resolved. I marveled at her driving skills as she drove her own Model A and led our group on tours to Sauder Village. She put lots of miles on that car! Her crafting skills were amazing and I cherish her creative gifts. But more than that, she was great listener and a gentle spirit and our Model A family will miss her.
