“ *Linda*
My sincere condolences on the loss of your mother. I don't know if you remember me but I am Dorothy Berndt LaVoy's oldest daughter. I believe my mother and your father were cousins. We had lost touch with your family over the years as I remember visiting your family when I was young with my grandmother Florence, who was still alive and Hobart and Zana. Many good memories from that time of your parents.

Both of my parents are gone now and my husband also. What has helped me most to accept these losses is the hope held out in the Bible at Revelation 21:3-4 which promises that death will be no more, nor sorrow or pain (all things we have on earth). I look forward to a resurrection back to life on a paradise earth where I will be able to see all our dead loved ones raised back to health and youth.

My sympathies extended to your family
