“ Dear Michelle and Jenny, I was sorry to read of the passing of your mother. I remember her from parent-teacher conferences, as I remember both of you as Student Council officers and Michelle as a student. My parents are both deceased and I think of them often. I empathize with your grief. I was fortunate to have had such a memorable career at Whittier (11 years) and DeVeaux (24 years.) I retired six years ago and returned to my hometown of Waterville with my wife of 24 years. Local history projects, traveling, and four really cool grandchildren keep us busy. I remember both of you fondly and will keep you in my thoughts during this time of sorrow.

“ Melissa, Michelle, Jenny and Craig, I am sad to read of your mom's death. I knew her in the 70's and 80's from Monroe St UMC, The Toledo Hospital and I believe my daughters Karen and Lori took lessons with some of you at Dianne's studio. My prayers are with you. I know LouAnn loved all of you very much. You were her world. I'm glad she was able to enjoy grandchildren. Sincerely, Sue (Hassell) Maltman

“ Dear Jaqua Family, I would like to express my Condolences to your family. I never met Ms. Jaqua or any of the family that I know of, and yet the enemy that has over reached your family is no stranger. The Bible calls death an enemy. None of us can out run it or fight it off. However the Bible teaches "As the last enemy, death is to be brought to nothing" (1Cor.15:26) that is good news. May the true God Draw your family to him.

“ I'm so saddened by your loss. LouAnn was a wonderful person who loved her children and talked of them passionately. I will always remember her as my right hand girl when it came to computer work. I know I tired her out with all my request. We shared a lot of special moments and I will always remember her as a true and faithful friend. To the family I say, "Thank You" for sharing her with all the Central Supply personnel at The Toledo Hospital. Sincerely, Tim C

“ It is with much sadness that I learned of LouAnn's passing. I have shared many happy times with LouAnn working with her since Dec. 1, 1986 until LouAnn retired from Toledo Hospital. LouAnn was a sweet and gentle person and her number one priority has always been her children. There was always a picture of her two grandsons on her desk at work. It doesn't seem that long ago when LouAnn invited us to Craig's birthday party where we took lots of pictures of Craig and his friends and also of family members. The occasion was most memorable to me. It pains me that I cannot be with the family at this time. I will dearly miss others who I worked with who also loved LouAnn for her selfless acts towards everyone she worked with. Farewell good friend, until we meet again.
