“ Dear Audry, June let me know of your Mom's passing and Aunt Irene sent me the obituary. You know your Mom was one of those special people you thought would live forever and I wish she had because the world needs more kind people like her. I will always remember her smiling face and her positive and bubbly personality. She was a joy to be around and an inspiration to all of us who are mothers and grandmothers. I will always think of her along with my own Mom--the two best Lucilles ever to bless all our lives. Love and Sympathy Nancy
