“ *To the family of "Miss Ferrara". She was my fourth grade teacher in 1955. I can still see her pretty, smiling face. She was one of my favorite teachers and we were so excited that she was getting married. From her picture I can see she remained a beautiful woman for all of her life. My sincere sympathy to all of you. Judy Schwieder*

“ *To all the Pinciotti's,*

The KY Sullivan's have all of you in our prayers. What a special lady!! Between my Mom and your Mom I would not have turned out to be the man I am today. She was always there to make sure I went on the right path.

I am so glad we have video of her putting "out the fire on the matchbox cars" when we thought we were movie producers with that 8 mm camera.

*Peace,
Richie, Lori, Tommy, Jacob, and Will.*

So many wonderful memories of you as gracious and kind neighbors. Much love and healing prayers to the family. You are blessed to have such memories of a good life. Judy Stone and Skip Gaynor
