“ *I remember when Lydia came to the LSP Home...she was funny, loved to laugh and visit with her family. Her children and grandchildren were always visiting. What a great family she has, it was my pleasure to meet and see you all. God bless Lydia's soul and the soul of her children and their families. I will remember her in my daily prayers. Rest now Lydia, in peace, in the loving arms of God.*

“ *I remember when my aunt would come to Texas to visit her sister Nana and they would all hang out and talk about how they used to go out dancing in Laredo I also remember the smile it would put on my mom's face and on her face also and she always used to say sit up straight push your shoulders back pick up your girls and be proud of what you are and how you are in the person you've become but never forget where you come from she was always with a smile even in her worst pain but she was always with a smile and she would always tell you I love you and give you a kiss on the forehead or on the cheek I will miss you but I know that you are with my mom and your mom and dad and your brothers*
