“ *Lynne, you always made me laugh and we shared some great times together in our youth; many times on stage together at The Coach House, thank you for being in my life and in wedding. Always love you!*

From the moment I met you back in the Spring of 1983 at the Coach House I knew you were special. I always valued our relationship. You were always there for me and my family. How many stitches did you have to remove from me over the years. Remember the times I showed up at Parkview Hospital. Boxing day at your Mom's with her cherry bounce. Remember you throwing shot glasses at me when I came in the bar with another woman. Bastille Day 1983. :) You and Joni singing Bonnie Raitt... Want A Man To Rock Me Like My Backbone Wasn't Home. Will miss you. Sorry we lost touch over the years. Save me a seat at the corner of the bar by the waitress station. XO Mike Maxson

“ Through the years I have been Lynne's boss, mentor, Coworker and most cherished of all her friend. We shared memories of Parkview, limo rides courtesy of her beloved Mark, and words of encouragement when she took the job at Kingston Care Center. We shared stories of our grandchildren and life in general as time went on. Rest In Peace my sweet friend. You will be missed. 💔.
