“ *Al, my sympathy goes to you on the loss of your wife. I have many memories of the two of you that I can cherish. You may not remember me, from 30 years ago at People's but I have thought of you a lot over the years because you were instrumental in my career.*

“ *Your loved one has left behind a thousand moments that will live in your heart forever... Please know, at this difficult time, that you are in so many thoughts and prayers. Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of Gods world, and may His peace surround you at this difficult time. "I have fought the fine fight, I have run the course to the finish, I have observed the faith-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me-Psalms 3:5.*
