“ *Marcy was a lovely friend, sorority sister and bridge club member. She always was cheerful in spite of her physical limitations. We missed her when she left Columbus and continued to miss her. She sent a special Christmas greeting just a couple of weeks ago.*

*I worked with Marcy as an undergraduate advisor to the Ohio State chapter of Alpha Gamma Delta and she was a smart and dedicated partner. I enjoyed her immensely. She will be missed.*

*Her bridge club members have made a donation in her name to the Alpha Lambda Chapter of Alpha Gamma Delta at Ohio State in her memory.*
