“ Grandma, We will miss you forever! I have such sweet memories of being with you...eating your tasty jello with fruit floating in it, Sanders hot fudge cream puffs at Hudson's after you would make me go shopping for dresses and girly stuff, visiting and playing at the house in Farmington, spending time with Mimi and Pipi, Spring breaks with you and Grandpa in Indiana and Florida with my girlfriends, and hearing all the stories of how things were when you were a young girl. You will be missed. Love, Leah, Jeff, Tyler, Travis and Tanner

“ To my best friend since 1950. Over the past 62 years we've shared many moments and entrusted only each other with our most intimate secrets. Our favorite past time was shopping (at our favorite place Hudson's). Our most recent conversation included reminiscing about the time we attended a luncheon/book signing for Archbishop Fulton Sheen's book "Wit and Wisdom" written in 1969. It was Friday, November 6, 1970 at the Sheraton Cadillac Hotel. An expensive outing for us at the time but money well spent! We discussed how much we enjoyed his empowering speaking skills and wit and have kept those books in our possession all these years and still cherish them today. Don, Rex you and I attended numerous parties and special occasions and shared many experiences. Wonderful memories of the four of us together I will never forget. I still remember when Rex arranged for all the Ford vehicles for my mother's funeral; something I appreciated more than you know and will never forget. 62 years Margaret of sharing our lives and every family occasion. You were my last living friend and I will miss you dearly! Everlasting love and appreciation to you Margaret for always being so much more to me than just a friend. Love, Dorothy
