“ *My family lived many years by her son Bob. We had the fortune to attend many events with Mr. & Mrs. Holmes and saw how loyal and friendly she was. Her grandkids become very close friends with my kids. Their honest characters' is a direct inheritance from Mrs. Holmes and that impressed all that knew her. Sympathies at this terrible time to all her family. RIP and may He comfort all!*

“ Our sister Maggie was the matriarch of our family. She was the one who always communicated by phone calls to each and every one of us to inform us of births, illnesses and deaths of any family members.

Maggie was like a second mother to Carol and me. She was always there for us to offer her advice and just listen to what was going on in our lives. She never forgot to send a card and call each of us for our birthdays and anniversaries. She also took care of our mother in her older years and never once complained or that she was too busy to help anyone! She truly was our big sister that we all looked up to and hope that someday we could be like her. We will celebrate her wonderful life and she will live on forever in our hearts and memories. All our love and rest in peace, Sharon & Carol
