The family will receive friends from 6-9 PM Wednesday and 2-9 PM Thursday in the Ansberg-West Funeral Home, 3000 Sylvania Avenue. Any tributes may be made in the form of contributions to her children's trust care off Key Bank. God saw you getting tired and a cure was not to be so he put his arms around you and whispered, Come to Me. With tearful eyes we watch you and saw you pass away and although we loved you dearly we could not make you stay. A Golden heart stopped beating hard working hands at rest. God broke our hearts to prove us he only takes the best

“ I miss you more now than I ever have. The world can be a very lonely place without the people we love so much. I keep replaying the day you died in my mind over and over again. I wish I sat next to you and held your hand. I feel like I never said goodbye. I miss you coming over in the mornings with Carter. It feels like such alone time ago but yesterday at the same time. I know when your visiting me and I'll never forget you walking next to me the day Lauren was born. I have so much to tell you. Please do not stop visiting and watch over Karyn as much as your spirit will allow.. she needs more than anything. I miss you infinity.. until we hug again. R.I.H and tell daddy I know when he visits too ..

I worked with her at Dillard's a few years ago, and I have very fond memories of her friendship, and bright personality. I vividly remember when she received her diagnosis. “ I'm so sorry for your loss. I went to high school with Maria and didn't know her well during those years, but when I returned to Toledo for the holidays one year, I saw her working at Dillard's. She recognized me and called me over; we spent a few minutes catching up. And she was so friendly, gracious and funny, and her laugh was so contagious. Seeing her just made my whole day. I've never forgotten that, and I've thought of her around the holidays every year since. I'm sure I always will. I hope you'll take comfort in the very happy memories you've created with Maria.

“ Liz, Yolanda, Sophia, Maria's children and your entire family, although it has been too long since we have been together to share our friendship of years ago we want you to know how our hearts are aching and our eyes are filled with tears for you all. We can still see the little Maria in our minds eye with her so very "bubbly" and mischevious personality. God's strength will get you through this with the help of her precious children and your memories will live and she will be in your heart forever. Love Sharon and Felix, Matthew and Gabriel Polanco
