

## Marilyn K. Shefferly

May 15, 1944 - November 3, 2024

Marilyn K. Shefferly passed away unexpectedly on Sunday, November 3, 2024. She was 80 years old and born on May 15, 1944. Marilyn was a proud, lifelong Northside Toledo resident.

Marilyn was married to her loving husband, Don Shefferly, for 40 years and he preceded her in death.

Marilyn had a remarkably successful career in the export business, Libbey Owens Ford and then moved on to spend many years working at Toledo Radiology & Associates. Along the way, Marilyn enjoyed her work, but genuinely cherished the dear friends that she made.

For many, Marilyn was a bonus mother. She would never shy away from an adventure and could turn anything into a fun, warm and memorable experience. With compassion as a superpower, Marilyn made everyone around her feel supported and loved. The things closest to her heart included cooking, boating on Lake Erie, and long lunches with family and friends. Above all else, Marilyn held her sons and family closest. To her, nothing could replace time with her boys, grandkids and her granddogs, Loki, Piper and Willow.

She was the matriarch of the family. We lovingly call her our GG. She will be

deeply missed by her son Tim and his wife, Nekko, daughter-in-law Robyn, grandchildren, Sierra, Josh, Burke, and Quinn, her lifelong friends Norma Jean and Sherry among many other family and friends.

Friends and family are invited to visit on Tuesday, November 12, 2024, from 3:00-7:00 pm at Ansberg West, 3000 W. Sylvania, where a memorial service will begin at 6:30pm.

Immediately following the service, we will be celebrating Marilyn's legacy and love at The Farmhouse at Wildwood Toledo Metropark.

“ Hi! I am Marilyn’s friend Sherry. I am overwhelmed at the loss of my dear friend. We lived next door to each other from 5th grade on. Friends for 69 years. She will always be my best friend. We laughed and cried together, but never talked politics. My children loved her dearly and have many good memories of our times with the Shefferly’s. She was a very kind and giving person and a little bossy at times. My comment to Norma was that she is probably up there giving orders to God, as only Marilyn could. I could go on forever, but she truly was the best of the best. Love you Marilyn!

“ I can't say enough what an amazing person, human being Marilyn was. She was my guardian angel. In January of 2023 I was diagnosed with stage 4 lung cancer my dad was taking me to my chemotherapy appointments. In March of 2023 I lost my dad to a heart attack. Marilyn without hesitation, stepped right up and took to me to all of my appointments, sometimes i would have 3 or4 appointments a week, chemo appointments, testing appointments and Doctors appointments. She was a big support system in my life. She made sure I was being taken care of. because of her, she gave me more time in my life. That's how Marilyn was! When I heard she had passed it broke my heart. Such an amazing person. But God needed another angel she will definitely make a good angel. I will miss you Marilyn!!

“ Dearest Aunt Marilyn, our hearts are broken that you are gone. You were the Matriarch of not only your immediate family, but the Shefferly family for many years and you will be missed terribly. The love you had for us exuded from you and never went unnoticed. We will miss your smile, your contagious laughter, the touch of your hand, your loving warm embrace, your welcoming spirit and all the loving fun times filled with laughter, support and unconditional love. One of my favorite sayings is The moment someone says “she is gone” many more voices rejoice “here she comes”. And I know Uncle Don was the first in line and shouting the loudest followed by many loved one who were waiting to embrace you. May the angels welcome you to paradise 💔 we love you with our whole hearts and will forever. Rest in peace dear Aunt Marilyn 💔💔🙏 All our love, Mary Beth and Gene 💔🙏💔
