“ Dear Deters Family, My thoughts and prayers are with all of you during this time as you lay your mother to rest. She was a wonderful lady and I enjoyed each visit with her. She was blessed to have such wonderful children that took such great care of her! I feel blessed to have had the opportunity of knowing her. She will always have a special place in my heart! Take comfort in knowing that she is now with her Lord and at peace. God Bless! Colette Nowak, LMT, HNWO

“ Sara, My heart breaks for you, but I'm so thankful that you were by your mom's side at the end. She was blessed to have such a loving, dedicated daughter, such as yourself. I know it was exhausting, but I also know there was nothing more important to you than making sure you did the best you could, along with your siblings, to make her as comfortable as possible. Lean on each other now and ask for the Grace of God to lead you to peace and acceptance. Love you...xoxox

“ I want to extend my condolences to the Deters family, we lived next door to you on Oldham, the little house until early 1963 when my father was xferred to Dayton. Your mom and dad and all of you are very fine people, although I was very young when we lived there I remember your family and my parents always spoke highly of you. I remember when you visited us in Dayton. All the best to all of you and your families. Jim Hendricks
