PN

“ *Lifting each and every one of you in prayer. God blessed Aunt Marvella more than one could imagine when she was given her 9 wonderful children. It is obvious how much she loved each and every one of you, and also the Christian background she instilled in you. You are her legacy. The tribute you gave your Mother today came from the heart, and let me tell you I have not seen a more beautiful outpouring of love. May God bless you and keep you in this difficult time. I love you!*
