“ *Debbie, David and Lynn, I was so suprised to learn of your fathers passing. Reba emailed me. I have many fond memories of your father, mother and the old neighborhood. He was the only person that I let pull my teeth when they were loose. And fishing for bluegill/sun fish until David ate all of the Orieos and "chumed" for bait. There are so many more... I am sorry that I did not get to visit when I was in Toledo this past May. May God's Speed be with you all. May you find peace that he will be with your mom and all of his pain is gone. Now he can be your "Guardian Angle" as you walk through life and his spirit will forever be with you. Kathy*

“ Debbie and Family, It was so good to meet all of you last week when Justin and I visited. Thank you so much for allowing us to share in the precious time you had left with your Dad. As we shared, Marvin was a special person to us too. The years we were fortunate to know him and your Mom, were wonderful. The entire USS Loy family has become an extended family to us. Marvin will be missed, but the memories will always be with us and yours. Our thoughts and prayers are with you in this time. Tina, Justin, Paul and Jeremy Bailey
