“ *I am so sorry to read of Mary's passing. Over many years, she helped my family and me buy and sell family homes. We always felt we were in such good hands, as she was a super real estate saleswoman and so very pleasant to work with! We stayed in "Christmas card touch" over the years - and I'll miss that! My condolences to her family.*

“ I am very sorry for your loss. My late husband and I met Mary while she was working at DiSalle Realty. My aunt worked at DiSalle with Mary but had retired when we were looking to buy a house. She recommended that we contact Mary which we did. We loved working with Mary while searching for a house. She was so much fun. I will never forget a Sunday that we were going to meet Mary to look at some houses for sale that we wanted to see. Before starting out, Mary told us about a house on Charlestown Ave. that was for sale, which had only been on the market two days, and she wondered if we would like to see it. We did look at the house first and then looked at the others we had planned to see. We really loved the house on Charlestown and the asking price was less than the others. Mary said we would need to make an offer that day as there were other interested buyers and the owners would be making a decision that night. So we made an offer and as luck would have it, we were chosen to be the new owners. Twenty-six years later in 2018 I had to sell the home I loved so much because I couldn't handle having to go up and down stairs any more due to bad knees. Having to make the decision to sell was a very sad time for me. Mary was a wonderful and fun lady whom I will never forget!
