“*Marlene, Mary Diane and Marsha, I was sad to hear of Aunt Mary's passing. My thoughts and prayers are with your family. I always enjoyed seeing Aunt Mary & Uncle Marv and have some fond memories of being at their house, playing with Jennifer and Mindy when we were kids. And she had the best sugar cookie recipe I've ever tasted! I'm sorry I couldn't be there in person to visit with you all. As you know, my grandma passed away the same day and we didn't get into town until Tuesday afternoon. Take care, and hope to see you soon. Love, Michelle*

“*Dear Marlene Mary Diane and Marcia, I was so sorry to hear about your Mom's passing. Your parents were very special people. I have such fond memories of living on Berwick. What a wonderful neighborhood filled with such fun people. They sure had some great parties, they really enjoyed each other's company. They all became lifelong friends. I know how difficult it is to loose your Mom. She was such a kind and caring person. We were all blessed to have known her. I hope you will find comfort in your memories. Sincerely, Pat*

“ Dear Marlene, We were so sorry to learn of your Monther's passing. We are currently in FL & will be flying home on Sunday evening. Please know that if we were home we would be with you at your Mom's visitation. Your Mom holds a dear place in our heart. I don't know if you remember but your Mom let us rent your Grandma's house on Burton when we returned from Jim's service in Germany. We have many happy memories of that home. May God give you, Mary & Marcia comfort and peace. In sympathy & love, Jim & Kay Bork

“ Mrs. Fahle was a loving mother and wife, our neighbor, my Brownie leader and the mother of Mary, my best friend. I've known Mrs. Fahle for almost 60 years and I just started calling her "Mary" when I was about 40--because kids in our generation always called adults Mr. and Mrs. Mrs. Fahle was a big part of so many of my childhood memories. She loved to cook and bake and was always trying delicious new recipes. Fahle's house had the wonderful aroma of fresh baked bread, cookies and cakes--popcorn was a treat she'd make when we were watching TV. She and Mr. Fahle would let Mary and me Polka around the living room on Saturday nights with Lawrence Welk. When we slept on the back porch on a summer night, she would give us a beautiful velvety homemade quilt for the cooler morning hours. Mrs. Fahle was an excellent seamstress and could cut hair and give a perm like a pro. She was so much like my own mother--I didn't think there was anything our mothers couldn't do. When we were in grade school Fahles bought a set of encyclopedias and it was so exciting to go over to their house and look things up instead of the trek to the library. If we had a question about something Mrs. Fahle would get out an encyclopedia and look it up--she loved doing that and would have been a great librarian or teacher. She and Mr. Fahle were one of the most loving couples I knew. You could tell they were truly sweethearts. Mrs. Fahle, thank you for all the warm and wonderful childhood memories. I will always think of you but especially on Christmas Eve. Love, Becky Zink Huey
