“ I am a cousin of Mary Lou's and Steven and I send our condolences and prayers to the family. Growing up with Mary Lou and her family was a fun experience. Watching the July 4 fireworks in Tiffin, trips to Lake Erie, and visiting them in Fremont. Mary Lou was always very positive and she loved to laugh. It's been a long time since I've seen her and was very sad to hear of her passing. Her bright light and laughter will live on. Hugs from cousin Gary.

*As one of her caregivers at Flower Rehab she amazed me with her ability to be kind, thankful, and positive to others around her. She nearly always had a smile and tried very hard to be strong for her family. I've thought of her nearly everyday since she was discharged from our unit. Her inspiration will remain with me. My thoughts and prayers to her friends and family. Kathlene, RN*

*Dear Sweet Mary Lou. I learned so much from you over the years. When my mom was life flighted to Toldeo and I called you, you said I will go and meet the plane. And then all the visits afterwards. All the times, you brought your mom to Tiffin to visit. The times we spent laughing over the little things. Your power to touch people was always so amazing. I always looked forward to visiting with you. So now I hope that you are at peace. No pain. No suffering. I like to envision you playing cards with your dad, my mom and Uncle Bob. Be careful they cheat and my mom will trump your tricks. Yes, you can be Bob's favorite now. You know this was a big concern of ours. You will continually be in my thoughts and prayers until we meet again. Love, Lisa*
