“ *God Bless Mary Margaret. She was often referred to as the Luggage Lady at JCPenney. Even the District and Regional staff knew her by name. She was truly a legend. Mary Margaret made it her personal goal to educate herself all about the Luggage she sold. In true Mary Margaret spirit, she catalogued the product information in notebooks by brand. She wanted everyone to be their best when working with customers. Mary was instrumental in driving my personal success as well. She was my favorite employee at JCPenney. As I often said and sometimes daily...God Bless Mary Margaret. I feel blessed to have her in my life.*
