“ We knew Mary Beth from our first apartment on Sylvania Avenue in Toledo, OH. We were a couple of years younger and lived across the drive from her. She watched our son Joshua and we had dinners together a few times. We've often looked online to find her and unfortunately this recent search turned up an obituary. We remember her with kind regards.

“ Dear Mrs. Trotter, Mike and Patrick, I was so sorry to read about Mary Beth's passing. She was a great friend in grade school and we had fun together at our St. Agnes reunions. She always lit up a room with that large personality of hers. She also did a great job of staying in touch with those back here. You were blessed with a wonderful daughter and sister. I will keep you in my prayers. Nancy Linker (St. Agnes)

“ Dear Trotter Family, Mary Beth had the biggest heart of anyone I have ever known. Always room to listen to others woes. Always smiling and seemingly carefree. Ready with a laugh or a card sent to lift one's spirits. I can bearly allow myself to think she is gone. My very heartfelt condolences to you all. I will miss her sooo much. Part of my heart is gone with her.
