“ To Maureen's family - I am so sorry for the loss of your sister. She and I had been very good friends since grade school and continued on until recent years when I lost communication. I know she was totally devoted to making sure Christopher had a 'forever' home for his future. She loved him so much. She was such a beautiful person inside and out and she will always hold a special place in my heart. May she Rest In Peace.

“ Dan, I am sorry for your loss of yet another sister, Maureen. May you and your family comfort one another with these words from 1 Thessalonians 17 "Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air; and so shall we ever be with the Lord."

*We slumber and awaken in our eternal home.*

*I hope you are enjoying good health.*

*I knew Maureen through the Down Syndrome support group, and Chris as well. We became good friends, but drifted over the years. She was a beautiful, caring person. Giving and thoughtful, a blessing to many. God blessed this world with her presence, the heavens have gained a special angel.*
