“ *I just found this!
Maurice and Joe treated me like a son when I worked for them
Arizona at the Stockyards Restaurant.
Maurice taught me so much about the restaurant business and how
to cook and cut meat.
He has a beautiful family.
His wife might remember Maurice payed me to paint his fence at
their home just so I could make more desperately needed money.*

We remember him fondly as our long time neighbor on Saddlewood, as we do all of you. Your whole family always shone with happiness especially when you were all together.
