“ My sincere condolences to the Carrolls, whom I continue to remember fondly from our days on Turnbridge and Bainbridge. I'm so saddened by your loss and have never forgotten Barbie. I enjoyed reading about Mike's wonderful and successful life and could see that your family continues to be a large and loving family. May that bring you some comfort at this time. I thought you might enjoy knowing that I married Mike Parker (from across the street) had a set of triplet girls followed by a little boy whose birthday is November 8th. If memory serves, that is the day Barbie left us. Somehow life comes full circle, and days marked by sadness can later be marked by joy. My best to you all. Christine

“ I remember Mike and Barbara very well as I was a secretary at Northview during their years as students. My son wrestled for Southview at the same time and I will always have many memories of the students. So many times I wondered where Mike was and what he was doing. He was always a happy guy and just nice to have around. He will remain in our hearts forever. My deepest sympathy to Mike's family.

“ Mike was a role-model for me in the neighborhood and at Sylvania Northview. We shared many great victories as teammates, and he taught me much about being a great athlete. I am sad at his early departure, and wish for his memory to live on in all those who knew him.
