With heavy hearts, we announce the passing of Michael L. Shefferly, age 63, of Toledo, Ohio. Michael left this world on Wednesday November 29, 2023, leaving behind a legacy of love, laughter, and enduring memories.

Born on June 25, 1960, to proud parents Donald and Marilyn Shefferly, Michael grew up in Toledo and went on to earn his High School Diploma, marking the beginning of a life filled with passion, dedication, and service to others.

In a beautiful union on September 19, 1987, Michael married, Robyn Wenzl. Their journey together was marked by love, commitment, and countless shared adventures. As the founder and owner of MLS Roofing, Michael poured his heart and soul into his business, leaving a mark of professionalism and integrity in the community he served.

Michael's commitment to service extended beyond his professional life. He served with honor in the United States Navy, embodying the principles of duty, loyalty, and courage. His dedication to our country was a testament to his character and sense of duty.

A man of diverse interests, Michael found joy in the simple pleasures of life. His hobbies included fishing, camping, hunting, baseball, coaching his children's sporting events and anything that allowed him to embrace the great outdoors. Whether casting a line into a tranquil lake or cheering on his favorite team, Michael found solace and joy in the moments shared with nature and

loved ones.

A true advocate and volunteer, Michael touched the lives of many through his selfless acts of kindness. His generous spirit created a ripple effect of positivity, and his memory will forever be etched in the hearts of those who were fortunate enough to know him.

Michael is survived by his wife, Robyn; devoted children, Sierra and Joshua; caring brother, Tim and his wife Nekko along with nephews Burke and Quinn and his beloved mother, Marilyn. Together, they mourn the loss of a cherished husband, father, brother, uncle, and son. He is preceded in death by his father Donald Shefferly.

“ *Words cannot express my sadness of Sheff's passing.*

*I served with Sheff on the USS Enterprise. We met when we were 18 years old and we were brothers drawn together by sports and all things outdoors.*

*Sheff served with honor and I count him as one of my few hero's.*

“ *As the owner/builders of our home, we met Mike five years ago when we sought to correct roofing problems we experienced with the original firm we hired. Upon our first meeting, we immediately knew that Mike was a respectable and trustworthy professional. He was knowledgeable and gave us honest, sound advice.*

*From that point on, we regularly hired him for various projects that required a unique combination of precision and agility, whether it was installing siding, vaulted ceilings or roofing. Mike was always up to the task, exhibiting kindness, reliability, responsibility all the while taking pride in his work to ensure the job was done right. His good nature, sociable character and admirable work ethic made it a pleasure to work alongside him.*

*We are fortunate to say that he was a friend, too. Although we never met his family, we felt like we knew them through his stories about coaching and his love of camping, fishing and baseball. The world needs more men like Mike. May he rest in peace and may God bless his family.*

*Our sincere condolences ~Matt and Lisa Walsh*

“ My dearest cousin Michael, how deeply heartbroken we are to learn of your suffering and you passing. It doesn't seem possible you are gone. I'll miss seeing and your smile, your love, your laughter, your welcoming spirit and your always joyful attitude. You were a true gentleman, just like your Dad. I always felt bad for you on Christmas Eve at Grandma and Grandpas when my Mom and I would make your brother Steve a birthday cake and everyone would sing to him, and we never celebrated your birthday , but then again your birthday isn't around Christmas as my Mom would explain. This year you will have an AMAZING Birthday celebration in heaven with Jesus and oh what fun that will be.

I have a favorite saying by Henry Van Dyke, “The moments someone says he is gone, many more joyous voices take up the chant of her he comes. I know your Dad was first in line followed by the Shefferly family and other loved ones. Rest in Peace my sweet cousin, you will be missed.

All our love and prayers, Gene and Mary Beth (Shefferly)Schmid ❤️
