“ I was so sorry to hear of Mike's death. I am glad that I had a chance to see and talk with my oldest first cousin again this past year, after many (30?) years. Even after all that time, and although we both aged since our last contact, I looked at his face, that smile, those eyes, and thought to myself, "This is family." We will all miss him.

“ Karen and Family: Our deepest sympathy and condolences to all of you. We used to see Mike at the Antique Markets and the Shop a lot; he would always talk about the "biz" with that characteristic smile. We would also share our favorite music stories from the 60's era. He will surely be missed. We regret we are unable to attend his services.

“ Dear Karen and Family, It was with much sorrow to read of Mike's passing. Of all the people I have ever worked with Mike was my favorite. He had a way of making it fun. I certainly enjoyed my time with Mike and truly regret not staying closer after our jobs took us in different directions. I'm sure he will be missed by all who knew him. My sincerest condolences Karen and please let me know if there is anything I could help you with. I regret that I am unable to attend the services. Jeff

“ Wicks Family My heartfelt condolences to all of you. I spent a lot of time with Mike as a youth caddying at Toleco CC and later in life always enjoyed seeing him at Central Catholic golf events. He always had a smile and devilish twinkle in his eye and was fun to be around. We will all miss him.

“ To Mrs. Wicks, Kathy, John, and Chris and to the rest of Mike's family, you have my deepest sympathy. He was one of the most likable people I know and whenever I saw him it made me smile. I spent a lot of time as a teenager at your house and have many fond memories of all of you. Mike will be in our prayers.
