“ She was a great person. She helped me with my Mary Kay make up for my daughters wedding (15 years ago) and if I needed anything to order she would always send it in the mail and say don't pay till you receive it. (I used to work with Nicole her daughter.) Michele will be missed by so many people, she was just a very kind person.

“ Yesterday's service at Zion United Methodist was beautiful. Michele's request for balloons at the memorial made it really look like a celebration of her life. I only knew her briefly as a member of the Anthony Wayne Garden Club, but in talking to her, I saw a sweet soul, a curious, energetic woman who enjoyed talking to people and making the world more beautiful.
