“ Please accept our deepest and most heartfelt condolences during this overwhelmingly difficult time of sadness. There are never words to express our feelings of sympathy and grief after loosing someone so young and dear to us. May you find comfort in thoughts of the many happy memories you shared and in the face of her handsome little boy, Bryson. She lives forever in our hearts and will be sadly missed by all whose lives she touched. I believe that LOVE is the most powerful force on earth, it supasses time...and although nothing can ease the pain we feel in our grief, that love will NEVER die!

*Dave, the service was beautiful.*

*Devin, please don't hesitate to reach out if there is anything that you or B need...just know that Shay and I are here and you are in our thoughts.*

*Sincerely with love,  
The Tobias Family*

*My beautiful Shell Bell, it's so hard to believe it's been almost eight years that you've been gone. I think about you every day and would give anything if you were still here with us. Bryson is turning out to be a handsome and beautiful young man. I know how proud you would be of him. Your dad is doing a great job of raising him and Devin is a big part of his life. He reminds me so much of you! I know you are watching him from above. I miss you so very much and you are always in my thoughts and my heart. Love you baby girl! Mom*

“ As a 2nd cousin to Michelle, I can say that she was raised in a loving family with a happy childhood. A cute, happy girl with a lot of character, living life to the fullest. She is now in heaven with her Grandpa Wagner, my uncle Gerald. Her legacy lives on through her beautiful boy, and her chosen one Devon. The Cleason M. Wagner family sends their condolences.

“Michelle and I were the best of friends, my very first best friend. We often were mistaken as twins which we thought was so awesome! We grew apart and lost touch after I moved away but somehow managed to walk the same path. Her and I both went through our times of bad choices around the same time and then had our babies fairly close together and most recently were both in school for nursing. I will never understand why God called her home and not me. What I do know is that I will carry her picture with me everyday of my nursing career so that way on some level she can continue on our path. I am truly sorry for this loss and pray little Bryson will grow to know just how strong and beautiful his mommy was!
