“ Dear Jeff and family, I'm so sorry to hear of Michelle's passing. I felt so blessed that I had a chance to reconnect with her this last year on FB. There are so many great and fun memories of my time with Michelle when we were young girls, and I keep thinking of my first ever camping experience with her family. I was terrified, but she kept reassuring me we would have nothing but fun and we did! It was the first time I ever tubed down a river and I don't think I ever let go of Michelle's tube for fear of floating away, and I can still hear her giggling at me. Please know we are holding the Voigt and Lunsford family close in prayer through this difficult time. With much Love, Stacey Lewis-Meyer
