“ *My dear Nancy...so sweet, kind, loving, and generous. I love her, I'll miss her, yet one day soon we'll be reunited to sing praises to the Lord together.*

“ *Nancy (for 52 years) was my dearest friend and prayer partner for our family and friends, in gladness and sadness! She truly loved the LORD Jesus. Also I learned from her about rocks and gems. In previous years I had walked over interesting rocks but she taught me the differences. We had a memorable camping trip with Dave & Nancy to SD, WY, MT, and the Canadian Rockies, showing them scenic spots (and finding pretty rocks along the way!) But now in heaven she will see beautiful stone foundations in the Holy City. (Rev. 21:18-21)*

“ *I knew Miss Nancy from her days in Florida at Spanish Main. My kids would draw pictures and notes for her, visited with her often and helped as much as they could. She was like a grandmother to her. She always had something kind to say. The world is a lot dimmer without Miss Nancy's light in it. My family and I consider ourselves blessed that we got to know her. We love and miss you, Miss Nancy.*

“ ‘Auntie Nan (and Uncle Dave)’ were always special friends to our family, and I have very fond memories of visiting their home and sharing their smiles and hospitality. Nancy was a courageous woman of grace and faith, even when battling sickness. She loved Jesus with all her heart, and always showed His sweet, gentle spirit. She left her mark on our lives.

“ What a blessing to have enjoyed Nancy's friendship. She laughed with me, cried with me and prayed for me. I cherish the times we visited in person and on the phone. Her faith was always on display. Enjoy your crown of glory.

“ Ms Newman was always very special to us. When she'd come visit Dave & Denise in Georgia, she'd always come and join us in our SS Class. She always had something special to add to our lesson; it was obvious she was well versed in her Bible study, and a prayer warrior. I'll miss her gentle hug, and kiss on my cheek. To all the family, please know that during your time of loss and grief, you are in our thoughts and prayers.

“ To my sweet grandma- The memories are endless. I'm so blessed to have had you in my life. From the countless crafts to the curlers stuck in my hair and the cookie cakes I always had for my birthday (even if you did spell my name wrong once). You will forever hold a special place in my heart. ❤️ Until I see you again ~Jamie
