“ *God Bless the family and friends of Novah. We are in heavy sorrow for the loss of a great member of the family (GMI). Words cannot express how much Novah will be missed. We know God is rewarding her for all her contributions here on her. She was the epitomy of what God meant a woman to be. She will be remembered only in a positive light. Leo you have our love and support. Take care...Novah put a lot of love into you.*

“ *My deepest sympathy for you and your family. Death remains a sting no matter the age. Our Heavenly Father feels sympathy for all who have felt this sting and assures us in Isaiah 25:8 that pain, suffering and death will be eliminated. I hope you find peace in your precious memories and in the promise of the resurrection. John 11:21-25.*
