“ Please know that many prayers are being lifted for your family as you grieve this loss. Altho you will not recognize my name - I remember your parents, Brian & Ginny as they grew up with my 4 daughters. MANY years ago, we lost one of our first grandchildren - LaurieBeth Forsyth [5 months] and there is still a part of our hearts that memories of her fills and we can smile and feel blessed to have had her in our lives at all. Parker filled a purpose and his memory will linger forever.

PEACE & COMFORT [to all of the extended family too]
