“ To The Family of: The help that God supplies does make a difference. The Christian apostle Paul stated that God “comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation.” True, divine help does not eliminate the pain, but it can make it easier to bear. That does not mean that you will no longer cry or will forget your loved one. Paul also said: “Death is enemy; it is to be brought to nothing.” (1 Corinthians 15:26), But you can recover. And as you do, what you have experienced can make you more understanding and sympathetic in helping others to cope with a similar loss.”these are one of many scripture of comfort and a promise. 2 Corinthians 1:4, Rev. 21:4 Mrs. Brown
