“ We often think of you and miss your family so much. I will always remember Paulie as the picture of health, a focused passionate, and stubborn (lol) boy and man. Deepest sympathies to you all.

From Crawford family. Kathy saw Paulie passed and let us know. I heard when I was thinking of you all this morning. Miss you. Rest in peace Paul and Mr Van Druten, another good and loving man. - Kelly

“ To our Dearest Uncle Paul. Even if it's been almost 30 years ago since we met the last time, your beautiful smile will always be in our hearts and minds. You've got my Dad's smile! You will be missed as one the coolest Uncles we've ever had. Wished that my children had met you as an Opa! Love and prayers from thousands of miles away in Indonesia.

“ I was thinking about Paul today - randomly. He detailed my cars for years and always did so with a passion and energy where you just knew, he was going to get it perfect. He did so every time. I hadn't seen or spoken with Paul in the better part of 10 years, sadly. Not sure why he popped in my head today and I googled and found this. I am so very sorry to learn of his passing. A great and passionate guy...gone far too young. As a strong believer in Christ, I kept Paul in my prayers today and will continue to do so over the coming weeks. Life is so, so very short and our God desires from us to take advantage of our lives and serve others with love and integrity. Paul did this...and did it well. Welcome Home, Paul!!!
