“ Dear Mary, Mike, Andy & Anne...After reading today's paper, I now know why I missed your Mom at church. What an incredible lady your Mom was, filled with charm, kindness and warmth. She always made me feel very special whenever I was around her. One of my favorite memories of Mrs. Rice, besides her smile, is the breakfast she made for all of us when we slept over at your home to work the Blizzard snow shoveling downtown. I remember her saying we needed a "hearty breakfast." And, I believe she gave a piece of her heart to each of us that day. May she enjoy the wonders of heaven. You have my deepest and most sincere sympathies.
