“ I am very saddened to hear of the passing of my "mom," esp. since I didn't have time to reconnect with her since I just recently ran into my "sister" Yevonne again. I will pray for healing of the family and I love you all. REST IN PEACE MOM. I LOVE YOU. Love, "Little Debbie.”

“ My thoughts are with you all. I would like to be with you in person on Sunday but I will be out of town most of the day. May Phyllis rest peacefully and all her cares washed away.
