“ My sincerest sympathy to all your families. Your mother was one of the prettiest most classy ladies I have ever known. I was baby sitter to Linda, Cindy and Jim when your parents moved from Chicago to Yankee Road to live with Uncle Henry. Your father and mother were a perfect pair. Keep your fond memories close God be with you. ~ Marlene Belman Nyitray

“ Raye was a great friend and mentor to me when as a very young women moved with Pastor Brandenburg and began my family. I will miss her very much. She brought joy to all who knew her. My children thought of her more as an aunt and loved her much often talking about the nice and wonderful things she did for them. I loved her, Arlene
